

Galaxy Z Flip4

SM-711

Camera	Rear 12MP (ultra wide) + 12MP (wide) with Front 10MP		
Display	17.03cm Dynamic AMOLED 2X*		
Memory	8GB RAM with up to 256GB storage^	Battery	3700mAh#
Processor	Snapdragon 8+ Gen 1 (4nm)##		

● Pink Gold

● Graphite

● Bora Purple

Image simulated and for representational purposes only. *Measured diagonally, Galaxy Z Flip4 Main Screen size is 17.03cm in the full rectangle and 16.64cm accounting for the rounded corners; actual viewable area is less due to the rounded corners and camera hole. ^Actual internal storage may vary. *Typical value, tested under third-party laboratory condition. Actual battery life may vary depending on network environment, usage patterns and other factors. The battery samples tested under IEC 61960 standard. Rated (minimum) capacity is 3700mAh. ##Snapdragon is a trademark/ registered trademark of Qualcomm Technologies Inc. and/or its subsidiaries. Colours as per the availability.

The ultimate smartphone for self-expression

1 Style and function that fits in your pocket

Yours, neutrally.

What's trending? You are. The classy pastel shades with matte finish, perfectly complement the glossy metal frame.

A compact statement

A pocket-sized statement, that's small but mighty.

Display your mood*

A customisable 4.82cm Cover Screen, doesn't just offer more ease, information and control but also doubles as a canvas, that you can change up according to your moods, weather, outfits and more.

Durable immersion^^

The 17.03cm Infinity Flex Display offers an immersive view and the advanced durability of Ultra Thin Glass## stays strong for over 200,000 folds.

2 Multi-dimensional perspectives

Versatile angles

Stand up, stand down or stand however you want but stand out. Break through the clutter of more than a million selfies with multi-angle capture, capture selfies at angles as versatile as you.

Step back and step it up

Unhand the phone, because you can. A camera that offers ease like no other, click or record – Flex** is a must, but hands optional.

Spontaneous clicks?

Use the rear camera to instantly capture fleeting moments or just click with an added advantage of real-time preview to get the best shot, the first time.

Enough light for a dark night#

Nights get brighter, with Nightography in the rear camera. From dusk to dawn and beyond, details will stay clear even after dark.

Image simulated and for representational purposes only. **Flex mode supported at angles between 75° and 115°. Compared to previous Galaxy Z Flip models.
#Results may vary depending on light conditions or shooting conditions.

2 Flaunt the Flex

Flaunt the bending screen and experience hands-free video calling with Flex Mode**. Unfold your angle of choice and watch the Main Screen transform, complete with a touchpad.

Hands-free video calling

No need to juggle anymore when co-watching content or making video calls, because you can free your hands and place the Galaxy Z Flip4 in Flex Mode, instead.

Multi-view

The usual single-app view is so passé, make way for Multi-View with the Galaxy Z Flip4. Toggle between two apps as and when you need with just a simple gesture.

Super-power#

Long-lasting battery to power through the hours and when required, Super Fast Charging or Fast Wireless Charging comes to your rescue.

Image simulated and for representational purposes only. Colours as per the availability. **Flex mode supported at angles between 75° and 115°. Compared to previous Galaxy Z Flip models. *Typical value tested under third-party laboratory condition. Actual battery life may vary depending on network environment, usage patterns and other factors. the battery samples tested under IEC 61960 standard. Rated (minimum) capacity is 3700mAh. From 0% up to 50% charge in around 30 minutes with 25W Adapter (sold separately). Limited to wireless charge compatible (Qi standard) devices only. If battery power is lower than 30% Wireless PowerShare may not function. May not work with certain accessories, over other brand devices or some Samsung wearables. May affect call reception or data services, depending on your network environment.

4 Flippin' tough

Galaxy Z Flip4 is an IPX8* protected, water-resistant and scratch-defying foldable smartphone, with Corning® Gorilla® Glass Victus®+ and Armor Aluminium.

Corning® Gorilla® Glass Victus™+[#]

The front and rear panels are made to resist any and every scratch and scrape.

Armor Aluminium

The phone and its hinge are reinforced with our tough Aluminium frame, which acts as a suit of armour.
