- Swivel cord to prevent tangled wires
- Auto shut-off for safe usage
- 1.8 m power cord

# PHILIPS

# Highlights

## Tourmaline ceramic

The smooth ceramic barrel prevents damage to your hair during styling. It is infused with tourmaline to give your curls ultimate smoothness and shine.

## Digital temperature settings

Digital display with 8 temperature settings gives you absolute control to adjust temperature to your hair type for damage prevention.

## Up to 200°C

High temperature enables you to change the shape of your hair and get the curly look you want.

## 25mm medium barrel

25mm medium barrel for classic curls

## 30% more styling space

Increased styling space on the barrel for easier curling even long or thick hair.

## Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

## Safety stand

The safety stand enables you to put the curler down safely during use

## Fast heat up time

This curler has a fast heat up time, being ready to use in 60 seconds

## Key-lock function

You are always in control. No more accidental temperature change with the key-lock function.

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.
