

Beyond the Limit

microSDXC/SDHC UHS-I U1 Class 10

Unparalleled Experience of Speed

U1 Class 10 delivers up to 80/20MB/s in read/write that outpaces its competitors by a huge margin. The random performance of Apacer's memory card also tops its class, offering the smoothest user experience when checking status updates on Facebook, taking & browsing photos, recording videos, surfing the web, navigating on maps or playing games.

*Transmission speeds vary based on your system performance (e.g. hardware, software, usage, etc.)

Memory Capacity

Storage size of the card

Speed Class

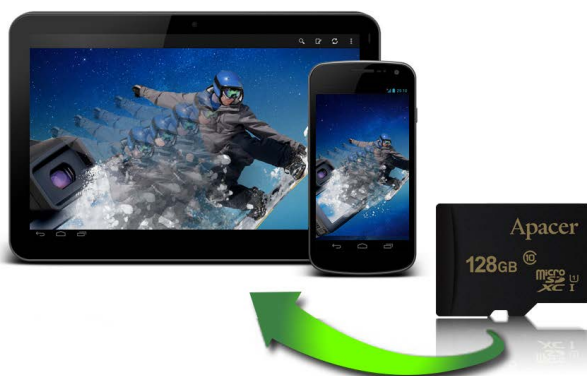

The minimum guaranteed write speed when used with a device that does not support UHS-I interface.

UHS Speed Class

The minimum guaranteed write speed when used with devices that support the UHS-I interface.

UHS-I

This indicates that the card is supported by the UHS-I interface

Ultra high 128GB capacity

Apacer's newest microSDXC UHS-I U1 memory card has a storage capacity of 128 GB, allowing it to accommodate 32,000 JPG photographs and 45.6 hours of 720p HD videos.

Outstanding Performance

MicroSDXC UHS-I U1 memory card quickly responds to each operation of users. Whether you use Facebook, take photos, record videos, view albums, surf the Internet, navigate maps or play games, it can bring you smooth and consummate user experience.

[1] The numbers of image are based on a JPEG format image; this will vary from the camera model and settings.

[2] Actual recording time will vary from the camera model, resolution, compression settings and content being recorded.

[3] The numbers of song will vary from the compression rate and device.

Green design! Do something for Earth

Apacer' full series of memory cards meet EU's RoHS environmental directive by adopting lead-free process for production which does not cause any environmental pollution, and it protect Earth with you!

Features

- Compliant with latest SD spec ver 3.0
- Supports UHS-I specification
- Safeguards valuable data with multiple protection

Specification

- Capacity: 8GB / 16GB / 32GB / 64GB / 128GB
- Performance: UHS Speed: Class 1
Speed Class: Class 10
- Dimensions (L x W x H): 15 x 11 x 1mm
- Warranty: Limited product lifetime
